Jump Ring Sizing Chart

Jump Ring Sizing

Actual Size is difficult to determine on most computer monitors. Screen resolution and browser defaults change the image size. Print out this chart and it will provide a more accurate representation of our products.

Please note, our products are listed in ID, inside diameter. Each product on the website lists its corresponding outside diameter on the product icon.

Product Codes

Item numbers contain the product type, thickness of the wire (gauge), metal type and inside Diameter.
